

*Animals including Humans – Humans*  
*Week 6*

# Our Science Learning Journey

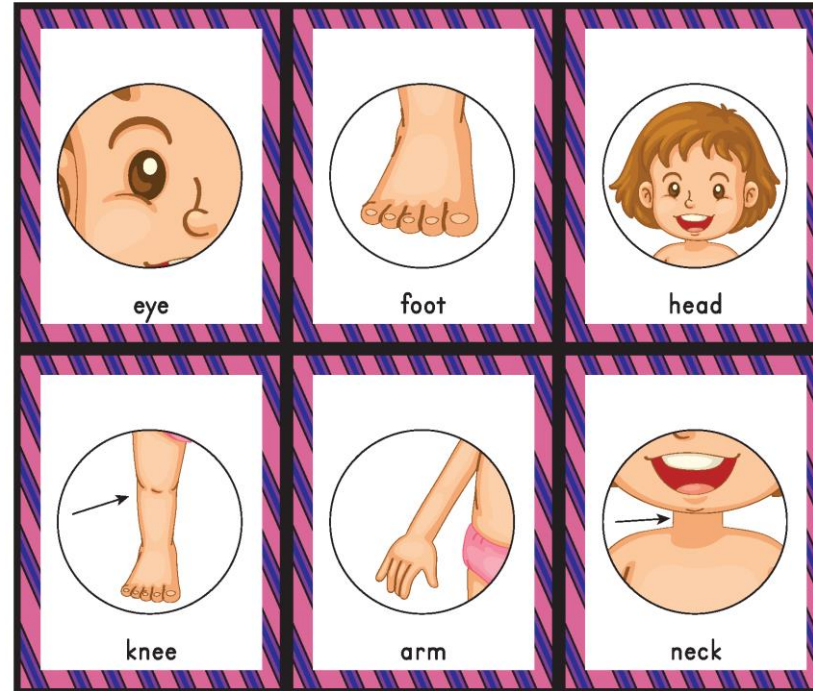

Key vocabulary:

Hands  
Feet  
Head  
Toes  
Fingers  
Senses  
Touch  
Taste  
Smell  
Sight

# Revisit

You can ..... with your ...

*TP-s What can you do with these parts of you body?*

Monday 6th October 2025

*LQ: Can I say what the 5 senses are?*

Steps to success

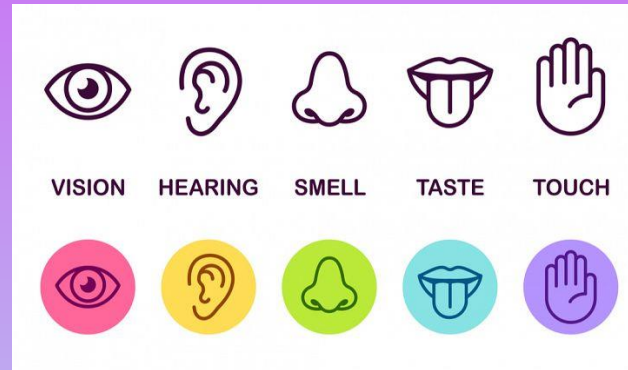

*All-I know what the 5 senses are*

*Most-I know which part of the body is associated with each sense*

*Some-I can observe closely using simple equipment and perform a simple test*

# Star words

*Sense*

*Observe*

LQ: Can I say what the 5 senses are?

Monday 6th October 2025

*Humans have 5 senses. How many of them do you know?*

Do you know  
any of the  
senses?

Can you name  
all 5?

LQ: Can I say what the 5 senses are?

Monday 6th October 2025

Watch the video to find out what the 5 senses are. Listen carefully and see if you can now name all 5.

Monday 6th October 2025

*LQ: Can I say what the 5 senses are?*

*You have 15 seconds, can you name all 5 senses with your partner?*

**Self Assessment**

Do you understand what senses are?

LQ: Can I say what the 5 senses are?

Monday 6th October 2025

Can you match the sense to the part of the body that uses that sense? Draw a line to the correct body part.

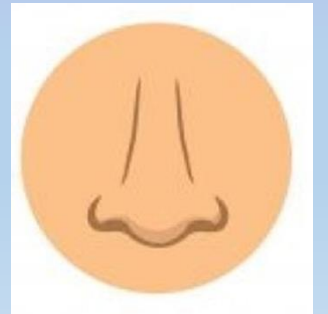

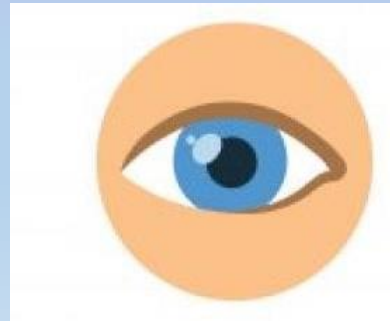

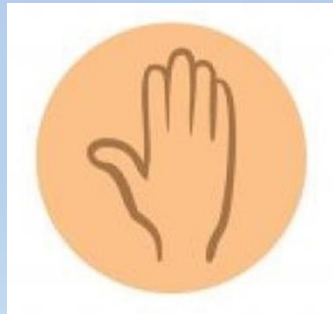

**Sight**

**Hearing**

**Touch**

**Smell**

**Taste**

LQ: Can I say what the 5 senses are?

Monday 6th October 2025

## TASK

I can see 	
I can hear 	
I can smell 	
I can taste 	
I can touch 	

1. Walk around the school site and use your five senses to say what you can see, hear, smell, taste and touch.
2. Now let's write what we observed!

Challenge:

Can you smell with your elbow?

Can you point to the body part that smells?

Self Assessment

Do you understand the task?
