Key vocabulary
object material
wood plastic
glass metal
water rock
brick paper
fabric

Week 3

TP: What do you remember about materials?

This material is___.

LQ: Can I name materials?

Steps to success:

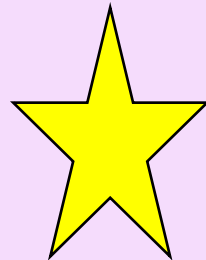

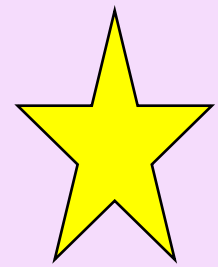

All: I can name common materials.

Most: I can identify the material an object is made from.

Some: I can describe the properties of a material.

Star words

Today we are going to look at different objects and identify what materials the objects are made from.

TP: What are materials?

Materials are _____.

Materials are the matter or substance (solid, liquid or gas) that an object is made from.

Everything around us is made of different types of material, from the clothes we wear to the houses we live in, the air we breathe and the water we drink.

Self Assessment

Do you understand what a material is?

LQ. Can I name materials?

TP: Can you find anything made from this material in the classroom?

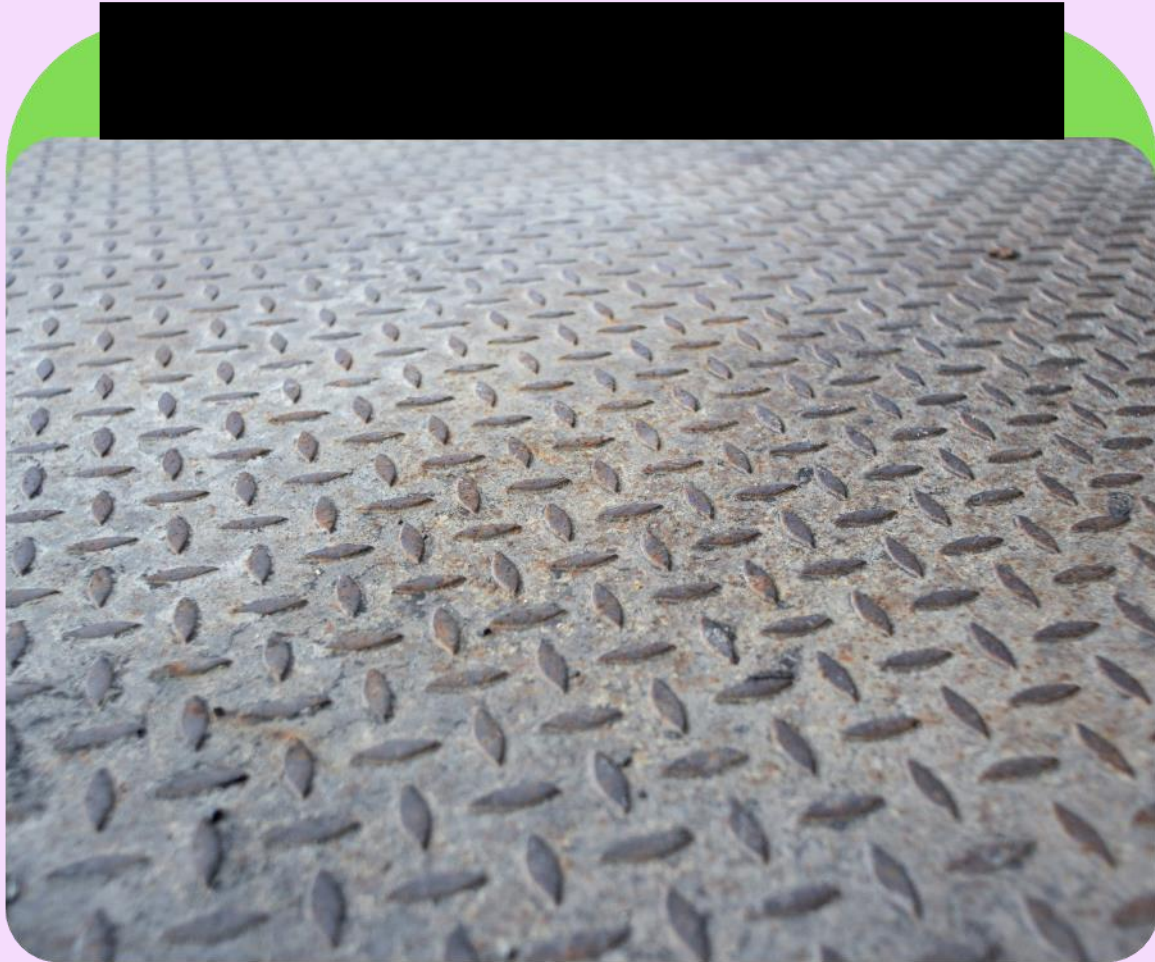

Wood is made from trees.

It is hard and strong.

It is a natural material.

LQ. Can I name materials?

TP: Can you find anything made from this material in the classroom?

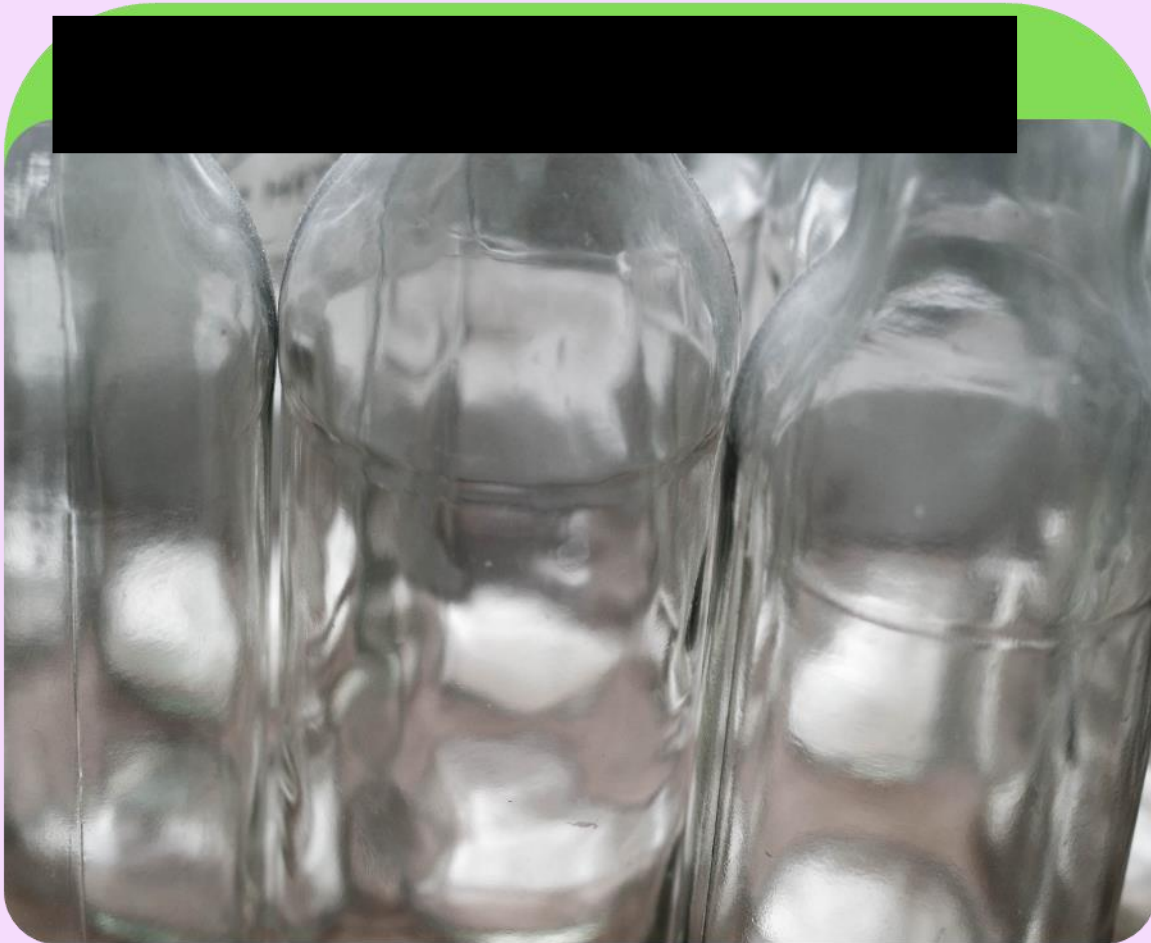

*Metal is made from rocks.
It is gold or silver and it is
shiny.*

LQ. Can I name materials?

Monday 17th November 2025

TP: Can you find anything made from this material in the classroom?

Glass is made from fine sand.

It is transparent and fragile.

LQ. Can I name materials?

Monday 17th November 2025

TP: Can you find anything made from this material in the classroom?

Plastic is a man-made material. It is used for most items we have because it is waterproof and durable! This means it is strong and lasts a long time without breaking or becoming weaker!

LQ. *Can I name materials?*

Monday 17th November 2025

TP: *Can you find anything made from this material in the classroom?*

Fabric is made from many things such as animals, plants, minerals and man-made products.

Task 1

Let's play I-Spy "I spy with my little eye something made from ____."

Find an object in the classroom made from:

Plastic

Glass

Metal

Fabric

Wood

Self Assessment

Do you understand what to do?

Task 2

Monday 17th November 2025

Draw and label the objects made from these materials:

Plastic

Glass

Metal

Fabric

Wood

Next step SEN-EAL– Can you name two things made from wood.

Next step - Can you write a sentence about the object and describe the material using your senses?

Self Assessment

Do you understand the task?
