Who are these people? Have you seen them around somewhere? If you have seen them around what do you
Think their jobs are and how do they help?

TPs: What should we ask them? What do you want to know about them?

Remember with questions you start with the words:

She makes sure that the teachers and herself help children to become more confident and be proud of who they are and to celebrate their achievements. Ms Wigzell decides who works at the school . She sets high expectations for her staff such as teachers, to make sure that they are doing their jobs properly and to make sure that they (teachers) provide a safe and encouraging learning environment.
