

# Our Science Learning Journey

Key vocabulary  
object material  
wood plastic  
glass metal  
water rock  
brick paper  
fabric

*Week 4*

# TP - Let's play I-Spy

“I spy with my little eye an made from\_\_\_\_\_”

Find an object in the classroom made from:

Plastic

Glass

Metal

Fabric

Wood

LQ: Can I sort and classify materials?

## Steps to success

*All: I can identify different materials.*

*Most: I can sort and classify objects using their materials.*

*Some: I can describe the properties of materials.*

# Star words

Last week we looked at different objects and identified what materials the objects are made from. This week we will be **sorting and classifying** (grouping) objects with the same materials.

### TP: What are materials?

Everything around us is made of different types of material, from the clothes we wear to the houses we live in, the air we breathe and the water we drink.

#### Self Assessment

Do you understand what a material is?

TP: Can you remember anything about these materials?

“ \_\_\_\_\_ is \_\_\_\_\_.”      “ \_\_\_\_\_ is made from \_\_\_\_\_.”

Plastic

Glass

Metal

Fabric

Wood

# Task

*We are going to work together to find objects in the classroom and group them using hoops.*

*Plastic*

*Glass*

*Metal*

*Wood*

*Fabric*

*Discussion points:*

*Can you describe what the objects in the same group have in common?*

*How are the materials the same or different?*

*Photo blurb page*

**Self Assessment**

*Do you understand the task?*
