TPs:

What can you see?

What do you notice?

Where is he?

Why do you think he is there?

What would you think if you were near these animals?

How would you feel if you were near these animals?

How do you think he feels being near the animals? How can you tell?

LQ: Can I ask and answer questions?

TASK – Discussion based enquiry lesson

Wednesday 7th January 2026

Sir David Attenborough creates television programmes about the natural world. He has done this for over 60 years!

He has won many awards for his work with animals and nature as it has made people see the importance of caring for them.

TPs:

Do you like animals? Why?

What is your favourite animal?

Do you have a pet? How do you care for it?

We are going to listen to a clip of one of Sir David Attenborough's documentaries.

TPs:

How did you feel watching the documentary?

How do you think these documentaries help people understand animals?

Let's listen to Sir David Attenborough talk about how he feels about animals and nature.

TPs:

How do you think he feels about animals and nature? How can you tell?

How did it make you feel about animals and nature? Why?
