Explore and create tie dye patterns

Create prints using the collage blocks

Create a collage block?

What different types of patterns can you identify?

What patterns can you make using mono-printing?

LQ: Can I create a tie dye pattern on an item?

Success criteria

All: I can choose a selection of colours.

Most: I can choose a technique and process of making my item.

Some: I can prepare and create my tie dye pattern.

Star words

tie dye

patterns

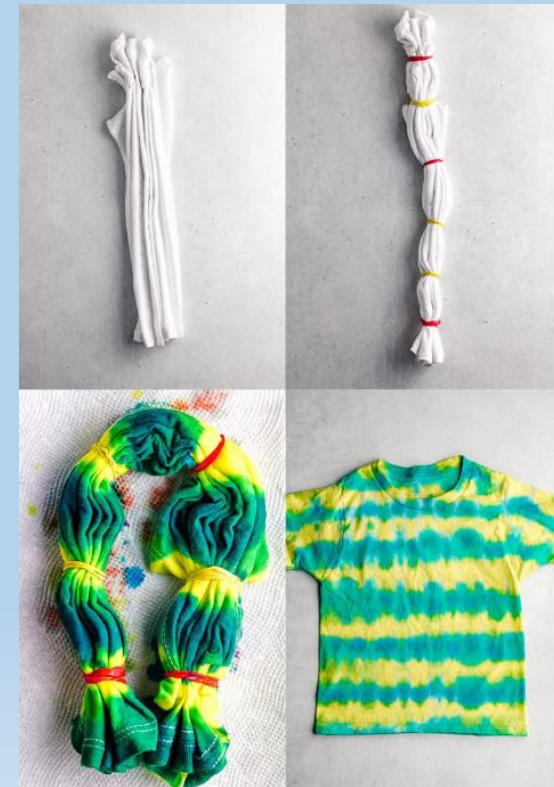

technique

Today you are going to create a tie dye pattern on a clothing item.

Tie dye means to produce patterns by tying the parts of clothing so it does not absorb (soak up) the dye.

Today you are going to create a tie dye pattern on a clothing item.

Let's watch some videos on how to create tie dye patterns.

<https://www.youtube.com/watch?v=kbaFUHg2UjA>

<https://www.youtube.com/watch?v=dS3QsQWwFy8>

TPs. Can you remember the different techniques used to make the patterns?

TPs: What techniques can we use to create the patterns.

Use the words bank to help you with your descriptions.

spotty
swirly
zig-zag
round
spiral

fold, twist, roll, scrunch, tie, pinch

Self assessment
Do you understand what tie dye means?

👍 👎 👏

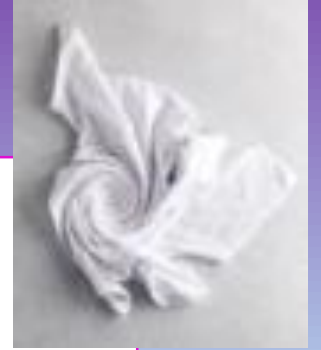

Think about the following:

- What pattern design would you want on your clothing item?
- What colours you are going to use?
- What techniques do you need to use to create your chosen pattern?

spotty
swirly
zig-zag
round
spiral

Instructions:

1. Dissolve salt in jug with hot water.
2. Pour salt water into cups for colour
3. Add colour using the pipit or spoon.
4. Prepare your garment by tying parts of it.
5. Leave the garment tied overnight.
6. Take off all the elastic bands and hang to dry the garment.
7. Remind children to hand wash the garment before wearing it.

You will need lots of elastic bands, bin liners, plastic cups and plastic spoons.

Prepare your clothing item and create a tie dye pattern.

Here are some ideas of the techniques and patterns you can use.

Note for adult: Take photos of each stage of the process for photo page.
