Physical feature

Beach

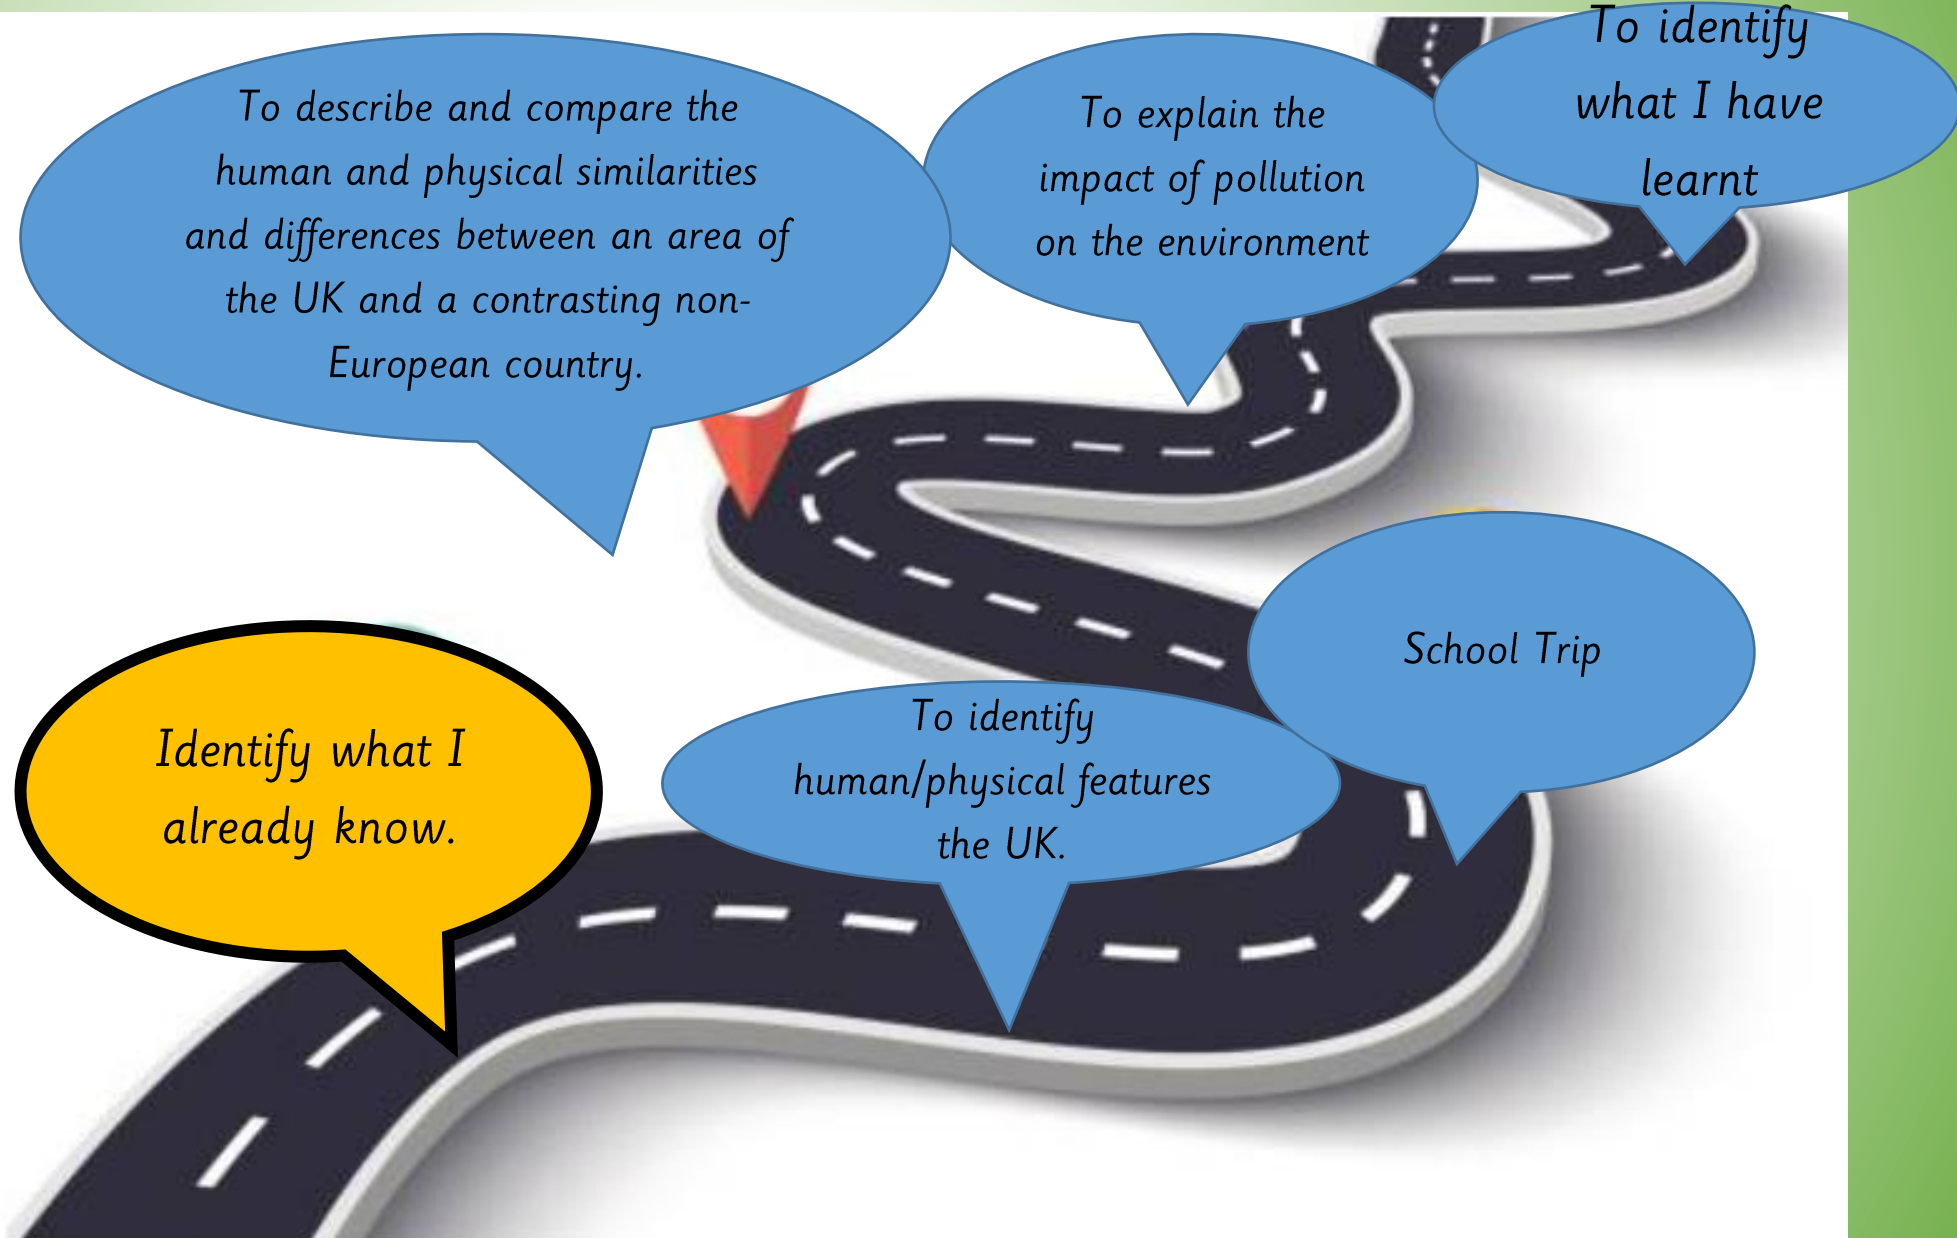

Sea

Country

Coast

Google Earth

What are human features? What are physical features?

TPs – What do you remember about human and physical features from Year 1?

<https://www.youtube.com/watch?v=cIJ0xOmDzRA>

This term in Geography we are going to learn about human and physical features of the UK.

TPs: What can you see?
Who do you think created this?
Where can you find them?

TPs – Have you ever seen human features/ physical features? How are they different? Do you think other countries will have these features?

<i>Human</i>	<i>Physical</i>
<ul style="list-style-type: none">• Countries (Scotland, England, Wales, Northern Ireland)• Cities (London, Birmingham, Bristol, Liverpool, Newcastle, Cardiff, Glasgow, Belfast)	<ul style="list-style-type: none">• Seas and Oceans (English Channel, North Sea, Atlantic Ocean, Irish Sea)• Mountain Ranges (Cambrian Mountains, The Pennines)• Mountains (Ben Nevis)• Rivers (River Thames, Trent, Mersey, Severn)

TPs – What is a coastline? What could the physical features of a coastline be? Describe this.

A coastline is where land and sea meet, and can have cliffs, beaches and rockpools.

Monday 20th April 2026

LQ: Can I identify Human and Physical features of the UK?

TASK

Choose one human feature and one physical feature. You're going to draw it and write a short description of it.

*What could you find there? What kinds of animals might live there?
What colours could you find?*

Assessment:

All: To understand what human and physical features are in the UK.

Most: To be able to discuss similarities and differences between local area and non-European country.

Some: To be able to discuss how people can affect the environment they live in.

Questions :

Can you name the 4 countries in the UK and their capital cities?

Can you name the seas/ oceans that surround the UK?

What is a physical feature?

What is a human feature?

How can we look after our earth?

Can you compare human and physical features from the UK and across the world?

What is a coastline? What are the features of a coastline?

How are human and physical features different?

What happens when we do not look after the world?
