We are so proud of the new children who have just joined us . They are settling well.

Top Tips!!

Try to continue some of the activities that we have shared with them..... talk about celebrations and special places!

Do some cooking

Do some crafts

Get active and explore inside or outside

Our big question next half term will be.....

'Are Eggs Alive?'

Help your child to think about Eggs...

Where can they be found?

What is inside them?

What does alive mean?
