Our topic are eggs alive?

As we end our exploration of the big question , the children have been talking about different creatures that come from eggs. Talk about some of them.

How will they grow and change?

The children remembered frogspawn and called it 'jelly eggs' ...We decided to make our own jelly with fruit and mint!

Talk to your children about what happened. What were the ingredients? How did the mixture change?

Some children liked it and some did not.

We have talked about changes all around like blossom and leaves on trees. Go for a walk and talk about the changes!
