In English this week we looked at writing a recount in the past tense. Next week, the children will be planning, writing and publishing their own recount about world book day.

How can I help at home:

Ask children to tell you about the world book day, using sentence openers, time conjunctions, expanded noun phrases and adverbs.

Reading

We collect the children's books on **Tuesday**, they return home with a new book on **Thursday**. If your child fails to return it, we will be asking you to pay **£5** to replace it. To avoid this, after you have listened to your child read at home, please encourage them to put their book into their book bag as soon as they have finished, that then means that they will always have their book when they are at school.

Arithmetic

Every Monday and Friday your child will complete a mental arithmetic test to develop their mental maths skills. When they complete the first test which will take place every Monday, the adult in class will teach the children what method they need to use to work out the answers. Your child will take this test home. **Please encourage and support your child to practise the questions they have completed incorrectly.** Your child will retake the same test on Friday which the class teacher will keep in school.

P.E

Below you will find the days we have P.E. We ask that your child comes to school in their P.E kit on their P.E Day. You can purchase our school P.E kit from 'Bubblegum' in Thornton Heath.
